

Ha'er Bing Tiantan colophony pencil leads Co., LTD

120, Ha'erBing, Heilongjiang Province, China

Phone: 0451-87165833

Fax: 0451-87165899

MATERIAL SAFETY DATA SHEET

1. Description of Goods

Name of Goods: Refill Leads for Mechanical Pencil
Chemical Name: Carbon Graphite
Chemical Family: Graphite Cas No.7782-42-5
Synonyms: Black lead
Formula: Not Applicable, but " " C "

2. Hazardous Ingredients

Graphite: 60-70%
Carbon:40-30%
Hazardous Ingredients: None

3. Physical Data

Boiling / Melting Point: No information found, but approx. 3000° C
Specific Gravity: 2.2
Solubility in Water: Insoluble
Vapor Density:Not Applicable
Vapor Pressure: Not Applicable
Odor: None
Evaporation Rate: Not Applicable
Appearance:Dark-gray to deep black, Stick-type, 0.5mm dia. x 60mm length

4. Fire & Explosion Hazard Data

Flash Point: 188° C in case of using paraffine
Extinguishing Medium:Foam, CO₂ or Dry chemical
Fire & Explosion Hazards: None

5. Health Data

Inhalation: Not Applicable
Ingestion: None, but if large amount of polymer leads are ingested, obtain medical attention.
Eye Contact: Flush eyes with fresh water on low pressure, and obtain medical attention.
Skin Contact: Remove by wiping, wash skin with soap & water
Effect of overexposure: No health hazard in normal usage.
The ingredients used on this polymer leads are approved " JIS " Standard No.S-6005-2000 and inspected by Bunka Yochin Anzen Shikenjyo, Tokyo, Japan.

Ha'er Bing Tiantan colophony pencil leads Co., LTD

120, Ha'erBing, Heilongjiang Province, China

Phone: 0451-87165833

Fax: 0451-87165899

6. Reactivity Data

Stability: Stable

Condition to Avoid: None

Chemical Incompatibility: None

Hazardous Polymerization: Not occur

7. Special Protection

Respiratory: Not Applicable

Eye: Not Applicable

Gloves: Not Applicable

Local Exhaust: Not Applicable ventilation

Clothing: Not Applicable

8. Enviromental Data

Enviromental Toxicity: Not Applicable

Spill and Leak Procedure: Not Applicable

Waste Disposal Method: In accordance with Federal, State and Local Regulation.

9. Special Precaution

Transportation Requirement: None

Strage: None. Strage in normal room

10. Other Regulatory Controls: Not Applicable
